

Brenlin Window Shades

—Look much better, last longer!

The richest window curtains lose their beauty against the background of a shabby shade. To do your curtains justice set them off with shades of Brenlin. For Brenlin shades always hang straight and smooth, and contain no "filling" to crack, wrinkle, fade or show unsightly "pin holes." They

outlast the ordinary shade several times over, yet cost but a trifle more. BRENLIN is made in many artistic tones and in Brenlin Duplex—colored one side, white the other. Come in and let us show you samples and quote prices.

BLACK PRINCE—Bought of the Greenville Stock Farm, is a splendid type of the draft horse, three years old, black Percheron, 1700 pounds in weight. Has proven to be a sure foal getter and is the kind of horse that will appeal to your fancy both in looks and work. You can make no mistake in breeding to him.

BURLEY is a splendid specimen of the draft horse and his get have proven to be of the very best. There is a steadily growing demand for the class of horses produced by Burley, both upon the farm and in the cities. They can stand more work than the general run of horses. Burley is 7 years old, a beautiful black. He is well formed and of the class that catches the eye. In selecting a horse to breed to, select one whose produce commands the best price.

The above horses will make the season of 1912 at Woodland Stock Farm
